FIERY FREE OFFER FOR BONFIRE NIGHT

Local firm, Abbot Fire Group, is once again offering 24 free fire extinguishers for use at local community bonfire or firework events, helping ensure safety first on bonfire night.

Nigel Walton, Director at Abbot Fire Group says: "This is the 4th year running we've been supporting local community events with this offer. We like to see local people enjoying these entertaining events; however safety is important which is why we're pleased to offer free extinguisher hire to support local charitable and community events".

Last year Abbot Fire Group supported a number of local events, one of which was Maids Moreton Parish Council's firework display. Malcolm Beck, Vice Chairman said: "Gestures like Abbot Fire Group's make things that little bit easier as all those involved are volunteers".

They also supported the local community celebrations at The Royal Oak in Tingewick, organiser of the event, Sandra Getman, said: "The loan of the fire extinguishers really helped to support our local community event. As a free event for all those who attend, it was a great gesture, and I'd like to thank Abbot Fire Group for their kind support".

The extinguishers will be hired for free to the first callers to ring Abbot Fire Group on 01280 824111, just simply mentioning this offer. This offer is open to those organising a bona fide not-for-profit community or neighbourhood bonfire or firework event.

Abbot Fire Group will discuss the event with the organiser, the likely number of attendees, and ensure the fire safety requirements are covered by a suitable number of extinguishers on the night, up to a maximum of 8 fire extinguishers.

As a local and independent provider of fire protection products and services, Abbot Fire Group is proud to support local community events.

Abbot Fire Group can be contacted on 01280 824111.
