## **No suppressing excitement**

The team at Abbot Fire Group were celebrating last night after receiving a prestigious award. The award for Outstanding Sales Performance was in recognition for the way in which Abbot Fire Group conduct their supply, installation and servicing of Ansul R-102 kitchen suppression systems.

Chris Prideaux, Business Development Manager at Ansul said “Abbot Fire Group is one of the most pro-active and professional companies amongst our network of national distributors. Abbot Fire Group consistently delivers top quality service to their customers, and as a result has built a reputation for quality and flexible work to fit in with customers’ requirements. I am thrilled to be presenting them with this well-deserved award.”

**Notes to editors:**

Abbot Fire Group Ltd have been trading since March 2002 and have grown the business during this time.

Abbot Fire Group specialise in providing fire-fighting equipment, including the supply, installation and servicing of all products relating to fire safety. They provide various fire protection services, including fire risk assessment, fire safety training and advice on fire legislation.

All relevant technicians are BAFE registered, and all items comply with their current relevant fire legislation.

A 24 hour maintenance call out service is also available to help ensure customers' requirements and emergencies are handled within minutes of the call.

Abbot Fire Group was highly commended as Finalist for the award of Operational Excellence at the Milton Keynes & North Bucks Chamber of Commerce Business Excellence Awards in October 2010. This follows them winning Business of the Year in 2009, when judges commented on their 'clear vision and commitment to customers being a clear differentiation whilst finding new routes to market'.
