## **Press release**

**21 July 2010**

### **Proud sponsors of Excellence Award**

Abbot Fire Group, based in Buckingham, are delighted to be sponsoring the category of Excellence in Customer Care at this year's Milton Keynes and North Bucks Chamber of Commerce Business Excellence Awards. This category was, says Nigel Walton, Director of Abbot Fire Group, a perfect choice due to the synergies and commitment with which Abbot Fire Group conducts business with its own customers.

### **Company recognition**

Walton commented "Abbot Fire Group are proud to have never lost a dis-satisfied customer since it started trading in 2002. As a business we recognise the importance of providing a level of customer service that's second to none.

Sponsoring this award means we can recognise other businesses that strive to do the same, never losing their customer focus and, as a result, run a successful business."

### **Business focus**

Abbot Fire Group, who specialise in providing fire-fighting equipment, including the supply, installation and servicing of fire extinguishers, fire alarms and kitchen suppression systems, understand the importance of these awards and recognition to

outstanding local businesses. It demonstrates their ethos of supporting events to help sustain the local business community.
