**Press release**

**24 September 2010**

### **Flaming free offer**

Local fire firm Abbot Fire Group are offering 24 free fire extinguishers for use at local community bonfire or firework events, helping ensure safety first on bonfire night.

Nigel Walton, Director at Abbot Fire Group says “We like to see people enjoying themselves at these community events, but safety is obviously important, which is why we’re pleased to offer free fire extinguisher hire to support local charitable and community events”.

### **First come, first served**

The extinguishers will be hired for free to the first callers to ring Abbot Fire Group on 01280 824111, just simply mentioning this offer. This offer is open to those organising a bona fide not-for-profit community or neighbourhood bonfire or firework event.

Abbot Fire Group will discuss the event with the organiser, the likely number of attendees and ensure the fire safety requirements are covered by a suitable number of extinguishers on the night, up to a maximum of 8 fire extinguishers.

### **Award finalists**

Abbot Fire Group are delighted to have just been shortlisted as finalists for the category of Operational Excellence at this year’s Milton Keynes and North Bucks Chamber of Commerce Awards.

As a local and independent provider of fire products and services, Abbot Fire Group is proud to support local community events.
