Press release

15 January 2010

Let's go round again!

The staff at Abbot Fire Group are pleased to have sponsored the roundabout on the Buckingham ring road the A421, having noticed how neglected it was looking on their drive to work. With their sponsorship, the roundabout has benefitted from a new planting scheme, new trees and the grass has been cut.

Nigel Walton, Director at Abbot Fire Group said "The team noticed how tired and dreary the roundabout was looking, as they all pass it on the way in to the office. We thought sprucing it would help make an otherwise dreary roundabout look more appealing and attractive, not only to us, but for the many motorists that pass the roundabout each day."

Local commitment and local supplier

The roundabout sponsorship is part of a drive to help support the local area. As a local independent provider of fire extinguishers and service agreements, Abbot Fire Group are committed to working for the benefit of local companies by providing flexible packages to suit companies' needs, including local BAFE registered technicians who can be on-site within hours, not days.

Abbot Fire Group can be contacted on 0330 440 1815.
